

To meet our customers' diverse needs, pina solutions has access to the widest range of options for laboratory products, from everyday items to specialized instrumentation and consumables. Our product knowledge, market place insight and excellent sourcing capabilities guarantee your needs will be met successfully.

LABORATORY

Regardless of your application, pina solutions can provide the items you need in the areas of:

- Biotechnology
- Cryogenics
- Histology
- Immunology
- Manufacturing
- Molecular Biology
- Pathology
- Scientific Research
- Serology
- Toxicology
- Veterinary
- Pest Control

Animal Research

Cages, Food, Feeding systems, Restraints, Tags, Punches, Transport systems and more.

Cell Culture

Culture Tubes, Dishes, Flasks, Inoculating Loops, Needles, Inserts, Plate Replicators, Plate Washers, Roller Bottles, Slide Systems, Spreaders, Scrapers, Strainers, Tissue Grinders and more.

Chemicals & Bio-Reagents

Acids, Bases, Buffers, Detergents, Dyes, Enzymes, High-Purity, Reagents, Salts, Solutions, Solvents, Stains, Standards, Water, Waxes and more.

Consumables & Supplies

Beakers, Bottle Carriers, Bottles, Burets, Caps for Culture Tubes, Centrifuge Bottles, Centrifuge Tubes, Closures, Columns, Counters, Culture Tubes, Disposable Pipets, Filtration, Flasks, Forceps, Funnels, Glassware, Ice Buckets, Liners and Mats, Media, Plastics, Racks, Samplers, Slides, Slide Storage, Stir Bars, Stoppers, Tubing, Vials, Wash Bottles and more.

Environmental Testing & Monitoring

Filters, Meters, Probes, Pumps, Water Purification and more.

Containment & Cleanup

Biohazard Waste Receptacles, Chemotherapeutic disposal, Containment Berms, Custom Spill Kits, Detergents, Disinfectants, Disposal Cartons, Bins, Hazmat Vacuums, High Absorption Pads, Infectious Substance Shippers, Infectious Waste Bags, Isolation Linen Bags, Radioactive Waste Bags, Solidifiers, Specimen Collection/ transport, Sorbents, Treatment Agents, Unknown Substance Classifiers, Warning Labels and more.

Controlled Environments /Clean Room

Apparel Dispensers, Cleaning Validation, Consumables, Isolator Tools Furnishings, Matting, Packaging, Safety Enclosures, Showers, Stationary/ Data Logging, Vacuums and more.

Equipment & Analytical Instruments

Automation, Baths, Balances, Boxes, Calculators, Calorimeters, Carboys, Cassettes, Centrifuges, Chromatography, Clocks, Data Loggers, Desiccators ,Extraction, Filtration Systems, Freeze Dryers, Fume Hoods/ Enclosures, Furnishings , Heaters, Ice Makers, Incubators ,Environmental Chambers, Lighters, Long-term Storage, Microscopes, Mixers, Mortars /Pestles, Ovens, Pipettes, Plastics, Glassware, Pumps, Racks, Refrigeration, Robotics, Spectroscopy, Shakers, Stirrers, Stopwatches, Temperature Control, Timers, Ultrasonic Cleaners, Viscometers, Warmers, Water Purification, Wax Dispensers and more.

Food Safety & Testing

Allergens, Authenticity & Traceability, Beverage , Drinking Water, Chemical Contaminants , Dietary Supplements, Herbal Supplements, Food Processing, Microbiological Organisms, Non-targeted Screening, Physical Contaminants, Trace Elements, Quality Control and more.

Forensics

Antibodies, Blood Spatter, Calibrators, Castings & Impressions, Controls, Dissection, Evidence Analysis, Evidence Collection, Evidence, Storage, Evidence Tracking, Finger Print Identification, Hair Analysis Kits, Mortuary, Standards, Toxicology, Unknown Substance Identifiers and more.

Rapid Diagnostic Test Kits

Auto-Immune Testing, Cardiac Markers, Cancer Screens, Fertility Testing, Infectious Disease Testing, On-Site Testing Cups, Substance Abuse Testing, Veterinary Testing Kits and more.

Sample Preparation & Testing

Blood Collection , Clinical Diagnostics, Cell Culture, Fermentation, Fertility, Reproduction, Formulation/ Hydration, Harvest, Collection, Media, Plating/Streaking, Process Monitoring, Rapid Diagnostics, Storage, Substance Abuse, Systems/Solutions, Transportation, Test Strips, Urinalysis and more.

Sterilization

Autoclaves, Bio Chemical Indicators, Disinfecting Trays, Enzymatic Cleaners, Heat Sealers, Instrument Cleaners, Instrument Brushes, Sterilization Equipment, Sterilization Pouches, Ultrasonic Cleaners and related accessories and more.
